Sorry, Chris. The evidence office staff that pulls the drug receipts and cards has been ill most of last week. I need those to pull my notes.

Today, I am in court in the AM. When I get back I will try to send the discovery packet to you.

Annie, are we all set with this? Did you send the drug back-up work out or can you PDF and e-mail it to me? Thanks. Chris

[REDACTED] You already re-tested for cocaine base. Can you please send me all notes and lab back-up, as well as the most up to date version of your CV? My disclosures are due in a few days.

Thanks you! I'll keep you posted. Chris

Annie, hope this finds you well. I have a trial set for April 4th that looks like it will go. You are the primary chemist. I've attached the subpoena for you and Dan (though I think it's likely I'll just need you). Be in touch soon. Thanks – Chris
